FANTASTIC ACREAGE HIDEAWAY!

Almost 10 acres with an outstanding homesite, just minutes to town!

This 3.95ha block is a fantastic combination of cleared land and bush, so you have a great homesite, and room for your hobby farm, plus a thick strip of bush for a natural outlook plus privacy from the street.

The location is outstanding too, within 2km you have Tinana School, local shopping and tavern. Tinana also hosts a second shopping centre plus Retro Coffee for your fresh cafe experience. And you can be in Hervey Bay within 35 minutes too.

It's extremely rare to find land parcels this size, let alone this close to town, and the extra feature here is the local council zoning which is Rural, with potential to subdivide into blocks over 1ha, subject to approval.

Undeveloped land is increasingly hard to find, have a good look at this one - for more information, contact me anytime.
