FAMILY HOBBY FARM

This family friendly 5 acre hobby farm has the perfect mix from the home office to allow you to work from home in country comfort to several extra accommodation options for the extended family or additional income. The land is very useable with fenced off space for the animals (currently a friendly alpaca and a sheep) and enough run around space near the home for the kids and dogs to run amok.

There is shelter for the animals including a chook enclosure. There are lots of established fruit trees and several raised, established veggie gardens.

Did I mention the views? Truly amazing mountain views from everywhere on the property. There are 2 spring fed dams and lots of rainwater storage. Self-sufficiency in this crazy world has never been easier.

Situated just 6 minutes from the artsy village of Tyalgum for all your day to day needs and coffee fix or that leisurely afternoon beer at the local.

Just 25 minutes to the bustling Northern Rivers hub of Murwillumbah.

Get in quick! Come along to one of our scheduled open homes.
