TRANQUIL AND PRIVATE

Revive the orchard! All the work has been done on the orchard however the some of the original lime trees have been removed so, plant in your stone fruits and varieties of your choice and you will have the best-irrigated orchard in Millstream!

This 2.69 acres of land is a perfect start to get into growing your own food, with a shaded greenhouse perfect for growing your new seedlings and water will never be an issue for your new plants with town water, a rainwater tank, and a bore.

The home consists of 2 bedrooms, a spacious kitchen with lots of storage, and a fireplace to keep you warm on those chilly nights. Straight off the side, the roofline doubles to give the workshop space, which could easily be built in, doubling your house area if you needed the extra rooms..

Special Features:

- * 2.69 acres of landscaped gardens and a hidden 2 bedroom Colorbond home with attached workshop/shed and carport
- * Potbelly stove to keep you warm on those chilly nights
- * Patio either side of the home
- * Entertainment area with fireplace
- * 120 Lime trees with irrigation
