## AFFORDABLE ACREAGE OPPORTUNITY!!!

Located in a quiet cul de sac in the very tightly held suburb of Ninderry offers an affordable opportunity to get into what is increasingly becoming a million dollar plus suburb.

Set on a North Facing 1.5 acres, of flat to sloping land with a particularly wide street frontage the house is positioned up a long sealed driveway for privacy, breezes and views of the surrounding bush and hill tops. The nature of the block allows ample room to add a pool, shed or secondary dwelling (STCA) with easy road access.

This solidly built 13 year old house is in a neat and tidy, "move in ready" condition and will make a great first step into the acreage market. For those wanting something a little higher-end there is huge potential here to add value which at this price means you need not fear over capitalising.

The living space is very a spacious open plan design with tiled floors and a modern kitchen flowing out onto the front deck perfect for BBQ's and to take in the Sunsets.

All four bedrooms are carpeted in a modern dark tone and feature ceiling fans and built in robes with the Master suite facing North and offering views , a modern en-suite and walk in robe.

Car Accomodation is a double car port under neath the house however being a high-set home there is of course potential to build in underneath for added storage or workshop areas.

Currently there is a great tenant in place until mid November which gives the lucky buyer plenty of time to move in and get settled before Christmas.
