OPEN HOME CANCELLED , PLEASE CONTACT AGENT

Now is your chance to secure this property in a fast-growing suburb. Nundah is the nearest suburb to the airport and only 8 km to CBD. Brisbane's new runway is forecast to generate an estimated 7,800 new jobs by 2035 and an additional AUD \$5 billion in annual economic benefit to the region. In the updated city council plan, part of the corridor from airport to city had been classified as low to medium density residential zoning. This property is in this low to mid zoning area.

This is two stories home set on a level 417m2 land in central location. Only 700m from Nundah station and shopping centre and 10km to the CBD. Because of the location, more and more townhouses and units are being built, freehold house is getting hard to find.

This house offers 4 bedrooms upstairs and office and utility room downstairs.

* 3 bedrooms with built in wardrobes and ceiling fans in 3 bedrooms.

* combined living and dining area with open plan kitchen.

* one separate bathroom and toilet upstairs

* another bathroom with laundry and toilet downstairs.

*lock up garage

For further inquiry or to arrange an inspection, contact Jeffrey on 0452018858

4 BED | 2 BATH | 1 CAR
