SUPER AFFORDABLE HOMESITE!

One of the cheapest blocks of land you will see anywhere, this one is just 10 minutes from downtown Maryborough and already has a power connection on the block. It's partly fenced, and has a small creek running inside the back boundary so you have a unique natural setting for your budget home.

The local bus service runs into Maryborough, and it's only a 30 minute drive to the beach. You will be hard pressed to find any vacant land at this kind of price in a coastal area, and the owner wants to liquidate this block now so contact me today and secure this one for yourself.
