FANTASTIC SHEDS ON BEAUTIFUL 5 ACRES

Welcome to 120 McLaughlan Road Benarkin North Qld.
This is a very appealing 5 acre block with 3 sheds and power plus a dam and is fully fenced. It is in a lovely quiet area of Benarkin with weekly garbage collection, daily mail and good mobile phone service.
Take advantage of the hard work that has already been done and build or convert the existing larger shed into a Class 1 livable dwelling.
The larger shed is has 3 roller doors, a personal door and is split into 2 sections. it is 12m x 9m. Power is connected underground from the power pole on the block. The second shed is 6m x 6m and has power. The third shed is a double carport. All on very good concrete slabs with a brick surround.
There are 2 new water tanks that have never been used.
Fully fenced with a solid brick and iron gate entrance and post and rail along the front. The rest is stock proof fencing with some sheep/dog proof netting.
The dam is at the rear of the block and the land is completely cleared.
Definitely worth a look if you are looking to build or convert what is there to your new home.
