QUIET, SECLUDED AND WITH A SHED!

Situated on a leafy tree lined cul de sac section of McKail Street sits this brilliant piece of land that is level and perfect for your dream home. The 1,003 square metres available to you means there are plenty of options. The only traffic on this road will be residents or those who are lost! Barely a 7-minute drive from the centre of town you could be excused for feeling a little more remote than that, it's just so quiet.

Already on the block is a fabulous 6 x 6 double garage with a concrete floor and there is good fencing on all sides.

This block is for those who prefer a "leafy lane" rather than the sea of roofs feel of our modern subdivisions.
