SOLID BRICK - 657M2 BLOCK (APPROX)

Want a Project - Here it is. You can bring this home back to its former glory with some hard work and imagination, or you can sub-divide (subject to necessary approvals) & create 2 blocks, or demolish & build 1 new home on a large block.

The choice is yours, huge opportunity to break into the real estate market. Existing 3 bedroom home is behind a secure high front fence & there is a large shed with a concrete floor. Definitely worth a look at this price.
