PRIVATE AND SECLUDED RETREAT ON 7.93 HECTARES (19.6 ACRES) WITH 3 HOUSES!

Nestled in the beautiful Lorne Valley, in the heart of The Camden Haven district, on the lower Mid North Coast, is this stunning 7.93 hectares (approx. 19.6 acres) "Gypsy Falls Retreat".

Gypsy Falls Retreat has been running as a successful boutique, country style accommodation retreat and has previously been offered as a wedding venue. The foundations are there to the possibilities of running as a healing centre, yoga/meditation retreat or conference centre just to name a few ideas.

Gypsy Falls Retreat is surrounded by the sub-tropical rainforest and features its own waterfall, charged by the mountain-fed creek that flows from the Great Dividing Range.

Featuring three dwellings, the main house and two gorgeous self-contained cottages with complete privacy and seclusion. The grounds have been fastidiously maintained with meandering pathways, mature ornamental trees, viewing deck to the waterfall and games room. There are several bush walking tracks on the creek side with picnic areas and swimming water holes. The waterfall is magnificent with fresh water cascading down to a water hole suitable for swimming.

The main house has been architecturally designed with materials such as antique timber steps and stained-glass windows which have been sourced from historic buildings in Sydney including a magistrate court, churches and clubs.
