OCEAN VIEWS, RENOVATE AND ENJOY THE REWARDS

This enormous home is just screaming with potential. Elevated with Ocean Views, it needs some TLC but will accommodate the hugest of families. Upstairs has polished timber floor boards throughout and a very spacious open plan living area. The kitchen has ample cupboard space with gas cooking, all bedrooms have built-in robes and the main has a shower and vanity and room for a toilet. All bedrooms are of a generous size and are centrally located to the bathroom with separate toilet. There is an outdoor entertaining area to the northern side of the home and top a few branches off the mango tree and enjoy the views and sea breezes. Down the internal staircase you will find a fully enclosed rumpus room, 2 extra large bedrooms with built-ins, extra long lock-up garage with remote control, laundry, 3rd bathroom and an extra office area which is perfect for a kitchen. Downstairs is constructed of solid concrete block and is legal height. If you're not looking to do some work, this one won't be for you but if you are, come and view now. Room for a shed or pool, close to schools, shopping centres, parks and much more.
