CHARMING HOME IN CENTRAL LOCATION

This beautiful and unique solid timber home is located in a quiet area close to schools and not far from the centre of town. The home has the traditional look of a classic country home. It has three generous bedrooms and a large kitchen dining area with a walk in pantry. The lounge room has a fascinating wood fire and AC. The front porch is big enough to have breakfast on with a couple of beautiful trees providing privacy from the road. The backyard is large with a beautiful tree to shade the play area. A useful shed is set back a little from the house and has storage for a vehicle, tools, bikes etc. A great opportunity to purchase an extremely good value property for the first home owner or to enhance your investment portfolio. The home is currently tenanted. Please contact me to arrange a private inspection.
