TIMBER HOME ON FULLY FENCED 1008M2 BLOCK

This home has a beautiful feel from the moment you step inside with its easy flow design .
The open plan living area is light and bright and exudes a real warmth with the polished timber flooring which flows seemlessly into the well appointed kitchen and dining areas. Large windows and doors open out onto the very spacious deck, bringing the outside in and making it a great extra living space for entertaining. Lets not forget the large timber gazebo where friends and family can gather for any occasion.

Downstairs has an extra room with its own private entrance, that can be anything from a home office, gym, extra bedroom or a man cave.
