LARGE FIVE BEDROOM HOME WITH POOL & COASTAL VIEWS

This huge family home with sensational new pool is very deceptive from the street. Tucked in behind a beautiful Poinciana Tree you would not realize that this two story brick home has amazing coastal views from the back deck. Whether cooking in the kitchen, relaxing watching TV or dining you can look out to Lennox and Skennars Head.

Having five bedrooms, three bathrooms, three living areas over two levels allows a big family to spread out or even have elderly parents or visitors stay downstairs in privacy.

The home faces North East and enjoys cooling coastal breezes in summer with uninterrupted views to the coast. There is a rap around top deck which is drenched in sun and a downstairs covered Alfresco area for poolside summer BBQs.

Another very popular feature to is room for a boat & caravan to be stored off street. This property has a concrete driveway down the side with room for both.

The home is on a large fully fenced 800m2 block and despite packing in a stack of features it still has room for its shed and grass for the dogs to run around on.

This property is priced so you can still afford to add some of your own character to parts of the house too. So give Vaino a call from @realty Real Estate on 0487026765 or email to vaino@atrealty.com.au for an inspection as this property will not last long.
