STUNNING HOUSE WITH POOL

VILLA SANUR is Inspired by the upmarket Pool Villas of Sanur, in Bali. This luxury home has been professionally and fully renovated to the highest of today's contemporary standards.

Villa Sanur is an exquisite Spiritual and Private Haven beautifully located in a quiet cul-de-sac in sought after Old Tewantin. Adjacent to the Noosa River Eco tributaries, full of bird life and wild life, quiet, peaceful, yet very close to the Noosa River, Noosa Beach and The Noosa North Shore Car Ferry opening an array of fun activities for the family amongst the natural wonders of The Noosa North Shore.

A Brand New Swimming Pool creates a central focal point of the property creating an Oasis Island Lux vibe, all visible and accessed from living/dining and alfresco areas and then framed by mature lush tropical gardens. An interesting and thatched new Bali Bure crowns the head of the pool with outdoor lounging area.

BBQ decks and sundecks are offset by sleek outdoor alfresco tiled entertaining areas. This property really is a stunning example of bespoke island luxury so suitable for the Noosa Indoor/Outdoor lifestyle

Brand new everything with a magnificent new kitchen and island bench, all new top quality Appliances, large Ensuite with free standing Black Egg Bath, Bali Shower, Bespoke internal linings and different textures add interest and class.

All new flooring throughout with each bedroom opening to private decks and verandahs. All New black framed windows and huge sliding doors and screens throughout. Fully landscaped, fully fenced, exquisite finishes whilst retaining some original features which ooz charm and character.

Easy care block with a gorgeous double garage with loft and all plumbing services ready to connect and easily converted to a granny flat , suite of office and guest suite if required.

This home is move in ready, perfect for upmarket holiday AirBnB accommodation or your own private retreat.

Luxurious brand new 5 star Furniture Package completely kitted out self contained ready for
