STEP BACK IN TIME

Dont just do a drive-by on this place. The real magic happens when you walk through the front door where you will be transported back in time to an era where life was simpler. With art deco inspired curved walls, high ornate ceilings, original timber doors and the finer details of picture rails, frosted windows and decorative latches indicative of the time. The home welcomes you with a formal entry / foyer area and has a gentle flow throughout. There is combustion heating in the lounge area, the bathrooms and kitchen have been modernised but with the original era in mind. There is tons of under house storage with a workshop area, lots of covered areas for the boat or caravan and a r/c double garage. The large level block allows for the green thumb to continue with the burgeoning veggie gardens and there is an array of established fruit trees. Set in a sought after, leafy, quiet street just minutes walk to the heart of downtown Murwillumbah which is exploding with life.

Dont delay. This wont last long. Book your private inspection.
