## LARGE HOMESTEAD ON ACREAGE IN DESIRABLE LOCATION

Located in the very desirable Forest Hills locale is this 5 bedroom, 3 bathroom, 4 Car accommodation on 1 level, magnificent McDonald Jones home with unmistakable size and "wow factor". There's something undefinable about the light-filled Bronte design which makes it the perfect choice for this wide acreage block delivering lavish, single-storey country living at its finest.

Space and serenity - This a home that immediately draws you in and envelops you in its welcoming atmosphere of warmth. Brought to life by the expansive windows and doors opening to the outside, and the spacious optional Alfresco Cabana, the harmony of the family/living and dining area makes it an inviting, multifunctional hub for everyday family life, as well as for entertaining on any scale.

A Gourmet delight - Being in the kitchen of the Bronte is a pleasure for everyone – including the chef. Located just off the dining area, the spacious gourmet kitchen offers expansive bench space, a large pantry for stocking the essentials, and a wide window overlooking the vistas of your new home.

Privacy and retreat - The clever design of this home has the Master Suite to the left side of the entry, with the remaining bedrooms and family bathroom off to the opposite side. 4 genuine bedrooms other than the master and a children's activity room gives the kids and guests plenty of breathing space to enjoy some down time while the adults relax in their own haven, complete with a conveniently located study and private access outside.

On the outside, you have a beautiful inground swimming pool and a very accessible and well located 3 bay shed with a bathroom and timber box fire making it the perfect family home

This very desirable residence is a must to inspect.
