

101 ZARA ROAD, ZARA, NSW, 2484

**SOLD**

## ROLLING FIELDS AND DENIM SKIES

101 Zara road sits between lush green rolling fields and denim skies.

A simple scene of flora and fauna

With flowering trees in bloom and native bees flitting between hives.

Horses gallop freely on this landscape as if there were enjoying the mountain views as much as their owners.

They have many a paddock to choose from and the crisp Watsons creek to drink from.

The hardwood barn graces the hill hugged by the sun soaked grass. Its calling out for some festive fairy lights and a big wooden communal table to feast around. Breath new life into the rustic spaces and turn it into a shabby sheik artists retreat or band hall wherever your imagination leads you.

This tidy home has a country feel and from every window you take in postcard views of the farm. It is a place for the sweetness of solitude and the freedom of playful thoughts, a place to hear the rain on the old tin roof as if it were music.

A home to build on, adapting and growing with your family.
