A VERY APPEALING ONE BEDROOM HOME WITHIN AN OVER 50'S RELOCATABLE AND CARAVAN PARK AT COOMBABAH

This affordable well maintained home is newly on the market and ready for a new owner - could this be your ew home?

It is east facing and has a nice size deck for enjoying a chat and or a leisurely cup of tea (stronger). The vaulted ceiling is a real bonus and does give a great feeling spaciousness and there is plenty of natural light throughout.

The lounge room, dining area and kitchen is accommodated in the one large room but does not feel "squeezy" - a relaxed lifestyle and simplified living area certainly helps. There is potential for including the laundry arrangement in the kitchen if you wish.

What a great size bedroom , with built in wardrobe - an easy space to relax and enjoy. The bathroom is adjacent and includes a shower, toilet and basin.

What a carport - a good generous size with a large shed for storage of all those extra special items.

This home has great street appeal, so please arrange an inspection or else you are welcome to attend the Open Houses - see websites for times or phone me, Susan, on 0407 285852.
