PURE UKI HARMONY

If you're into rich, layered interior design, 18 Mitchell Street is the one.
Thoughtfully styled with a symphony of light and flow and perched high in picturesque Uki village.
It is a pleasant retreat tucked away in a private backstreet with a
one of a kind feel and beautifully realised rooms which create pure harmony.
This property toys with textures and the eclectic design style is a careful gathering of interesting elements that all work together.
Huge glass windows and doors focus directly onto the mountains, the sunlight on the peaks are a celebration of greys, silver-white and greens.
Head outside where the salt pool shimmers and the rich soils of the valley and the extensive sunshine ensure all the veggie gardens are thriving.
Wander down into Uki village which is an attractive township in the heart of the Northern Rivers surrounded by rich pasturelands.
It is a town which historically serviced the surrounding dairy farmers and timber cutters.
The village is vibrant with amazing menus at the cafes and quirky shops filled with arts, crafts and trinkets.
A place for play, fun and freedom, a community where you can just be.
