A NEW BEGINNING

Situated in the heart of the Sunshine coast, this over 50s resort is highly desirable and so close to so much. Facilities that encourage community and fun, yet still enjoying a carefree and relaxed environment.

The home is two bedrooms and is perfect to make your own, with some alterations and modernisation. With its own lake glimpses and in a quiet location within the resort, a wonderful opportunity to downsize and enjoy the resort.

The resort has some awesome facilities, with its own pool, two community centres, a men's shed and social club. A community garden, BBQ area and cafe that is very popular.
