To appreciate this magnificent property, you need to take advantage and make the time to view. With sweeping panoramic views from Walsh's Pyramid, looking down across the growing layout of Gordonvale and over the coastal plains, to the glistening city lights by night, the views go on forever.
Once you walk through the front door, this enchanting location will wrap you in its own world, secure yet fully accessible.
Offering a tranquil lifestyle boasting four bedrooms, office, and a generous granny flat within the flowing interior.
The other four bedrooms have built-ins, air-conditioning and an ensuite to the main bedroom and the home is fully tiled throughout.
The functional kitchen services the open plan living /dining area, which flows seamlessly out onto the patio and deck where you can sit and me mesmerised by the sunrises over a morning coffee.
Sit back and relax by the pool with a wine in the afternoon and enjoy the endless parade of birds and butterflies, as they play on the edge of the National Park next door.
