PRIVATE AND SECLUDED MODERN HOME

You have just found something very special in the Northern Rivers of NSW. A beautiful, private and secluded Bespoke home on a huge rare 1009m² block of land with amazing rural views but only 10min to town. Set down a long driveway with no traffic, no noise, Nth East facing this sunny 2 story home with heaps of open space for the kids to run around while you watch from the upstairs covered deck. A place to escape after work and feel at one with nature.

This home has 2.6m high ceilings, is elevated, light, sunny and airy with views from every room. The open plan kitchen, dining, lounge seamlessly flow out to the covered back deck with views into the huge nature reserve.

Barely 4yrs old and in immaculate condition the upstairs living, dining and lounge has a beautiful gourmet kitchen with loads of storage, Quantum Quartz stone island bench and a butlers pantry with a restored vintage barn door, sink and plumbed in fridge space.

The huge master bedroom has rural views and a significantly sized and designed walk through robe on into the large ensuite. There are two other bedrooms upstairs along with a main bathroom and free standing bath.

Downstairs the fourth bedroom is self contained with an ensuite, lounge, private covered outdoor area with views and a kitchenette which would be a great teenage retreat or for family and friends coming to stay. Also downstairs is a concreted man cave area, tool shop, work area, storage or another office.

The backyard was completed by a professional landscape designer and has been a great area to entertain in the summer months under the Wisteria covered pergola. The brick columns are from an old Melbourne factory and the timber from an old bridge.

1 minute to the Freeway, 5 minutes to the airport, 10 minutes to Ballina and the beach, 15 minutes to Lennox Head, 30 Minutes to Byron Bay, 1hr to the Gold Coast.
