BATHROOM DECOR AND TILES - \$145,000 INCLUDING STOCK, PLANT AND EQUIPMENT

This is a long established business (1993) and operates out of "The Homemart Centre" which contains 3 other complimentary business's making it a one stop shop for the home builder or renovator. "Homemart" is located on Lockyer Avenue giving it a high exposure to the large amount of traffic that this main road carries.

The current owners have held the reins for 20 years and are retiring and want to see the business continue and flourish under new owners.

Well weighted to both the trade and retail segments, Bathroom Décor occupies a generous sized footprint within the "Homemart" showrooms and has ample storage in the shed behind allowing them to keep and display the latest in bathroom merchandise. To this end they are part of a large buying group that provides the most up to date products and sees them competitive within the local market. Their ranges are supplied by well known and reputable companies with many Australian made!

With a 5 and a half day trading week plus opportunities to extend further the trading hours this business would suite a variety of buyers who want to take away the cap on their earnings which is the norm when working for others. Experience in the trade is not essential and the owners will provide the required support to see a smooth change over occur.

The price includes all plant and equipment and stock (circa \$100,000) and is being sold as a going concern so no GST is applicable.
