Locations In Cape Paterson Don't Come Much Better Than This

Fully renovated and ready for you to move straight in and enjoy! You'll love the hardwood floors on the upper and lower living areas, the custom timber vanities with washbasins commissioned by Matilda Chambers to compliment the brass tapware and porcelain tiles, and the hidden European laundry that vanishes leaving nothing but clean lines - we could go on, but most of all you are going to LOVE the lifestyle that this very special location in Cape Paterson provides.

Situated on the fringe of the Cape Eco Development you'll benefit from the amazing granitic sand walk & cycleways that traverse the region all the way down to the beaches that are accessible from a gate in your own back garden! Just park the car and forget everything! The creature comforts are here too with a stunning new kitchen with a 6 burner gas oven and stone bench tops and pantry. The upper living also features a powder room and WC as well as new reverse cycle heating and cooling on both upper and lower levels and a state of the art heat pump hot water system with an oversize tank to make sure you never run out of hot water when you and your guests are showering of the sand from your beach walks.

Act quickly and register and qualify NOW as locations like these are rare in Cape Paterson.
