HOLIDAY RETREAT- WEEKEND GETAWAY- RETIREMENT HOME

This property just says! Relax. What a great world when you can have a property like this to enjoy.

Come Friday afternoon, just throw a few goodies in the car and head away for the weekend. Only 55k drive along the Bruce highway south from Townsville, then turn off just past Greenacres Service station and 14k to Jerona fishing village. Jerona is located at the mouth of the Barratta with channels running off all over the place, lots of great crabbing and fishing spots. Two boat ramps with jetty makes launching the boat a dream.

Your own private getaway. The big kids and small kids will have a ball.

2 Bedroom home, ensuite, second bathroom, spacious lounge area and combined dining/kitchen. Separate laundry enclosed front verandah. A deck out the back to relax and have a few light refreshments. 8m x 14m shed with 2 double doors. Could park cars, boats etc. or camp another 20 people. Comes with kitchen, dining and lounge areas. Another shed 9m x 6m with double roller doors for the boats. Several large water tanks. Land area is 785m2

Maybe get a few mates together, buy and form your own fishing club.

Have a holiday every weekend or just spend the holidays here or just live here. Tough choice.
