FAMILY FRIENDLY ENTERTAINER - LARGE 692 SM BLOCK

Freshly painted and brand new carpets this large and spacious family home is vacant and ready for a quick settlement.

Bring all your vehicles and toys and take advantage of the automatic double lock up garage with drive through door at rear to the back, a double carport in front and room for an additional two cars on the driveway.

Side access on both sides - room for boat or caravan and two garden sheds for storage.

The undercover entertainment area at the back is massive and overlooks fully enclosed yard - plenty of room for a pool and space for the kids and your fur babies to play.

Cute and cosy kitchen which is central to the generous open plan tiled living area that leads out to the pergola area.

Enjoy summer with the four air conditioning units and ceiling fans throughout. Environmentally friendly with solar panel system in place for cost savings.

Great layout and design this house is definitely deceiving and the size will surprise so an inspection is a must to truly appreciate.
