FANTASTIC LOCATION..

If you are looking for a top of the town, prime location, then this is the perfect spot for you.
The original 4 bedroom home has been used for many years as a professional office within the main shopping precinct of Nambucca Heads.
The home has some lovely original features including polished timber flooring, original fireplace and ornate brick work at the front of the house.
The ocean/river views from the rear of the building are an absolute bonus! The block is a large 1,100m2 and with two street frontages the potential future development would be worth investigating. (STCA)
There is an excellent tenant in place until late May 2022.
Endless opportunities exist with a little imagination - call today for your private inspection.
