If you're looking for a home built for people with plenty of toys for adventure, this is the one!

Positioned in a quiet cul-de-sac with no rear neighbours on a huge 838m² block, you'll have all the space you need to start project after project and always have room for 'just one more'.

The rear double garage features a mezzanine for extra storage and space for all those 'just in case you need it' things. With plenty of space to work and a full bathroom, you'll really not need to go back inside for much.

Two bedrooms feature study nooks for young growing minds whilst the internal garage boasts a home office which most businesses could run from. Meaning that everyone should have a place to work and get motivated to do great things.

The spacious outdoor entertaining area is all prepped with an inbuilt BBQ space and sink, perfect for hosting on those big nights and all this overlooking your tropical pool with a stunning mountain backdrop.
