## A PRIVATE FAMILY HOME WITH POOL AND FOUR CAR GARAGE

If you've been looking for a place to call home which is spacious and private.....you'll be knocking down the door to see this one.

A terrific design both inside and out. Space is a key theme here.

This beautifully presented family home is tucked away at the end of a quiet cul de sac down a long driveway of the 962m2 fully fenced block.

With four double bedrooms and light and bright spacious living area, separate lounge/media, it is the ideal home for a growing family which is fully air-conditioned and tiled throughout for an easy living.

The large modern kitchen is the hub of the home and will delight and bring out the chef within, with gas cooking, solid granite bench tops, dishwasher, and glass splash backs.

Outdoors this summer will be a delight on the well positioned patio which overlooks the huge family pebble-text inground pool. A top spot for an outdoor TV, hammock, or day bed for a sneaky nanna nap.

The garaging here is amazing, you'd fit four cars or two cars and use the other as a workshop/shed. 4.5kw Solar system.

Is this the lifestyle you are looking for? Call now to check it out and see if it feels as good as it looks.
