So....not quite the French Riviera but one can dream from this inspired cottage which sits high on its nearly 3/4 acre plot with beautiful established gardens, its own flowing creek with resident Platypus and happy water dragons where you can pack a picnic lunch and relax under the flowering Jacaranda. The home is framed by an almost full wrap around deck with tessellated features and light filled windows. With 4 bedrooms, 2 ample living areas, sunroom and your very own atrium there is room for the extended family and friends to gather around the European style kitchen which harkens back to a simpler life where family ruled.
The mighty Tweed river flows nearby giving it's bearings to your close neighbour of Uki....just a few minutes away, where the mountains touch the sky. Your artistic needs are met in a village atmosphere and in the other direction will give you a 10 minute drive to the bustling arts and foodie hub of Murwillumbah.
