## SPECTACULAR WATER AND GLASS HOUSE MOUNTAIN VIEWS – LOTS OF POTENTIAL!

This is a great home built on a 546 sqm block and located in a beautiful area of Banksia Beach overlooking fabulous waterfront reserve and glass house mountain views with parkland to the rear. Very hard to find a position like this, located just across the road from the Pumicestone Passage and the wading birds sanctuary, boat ramp, beach and children's playgrounds. The local shopping centre, bowling club, public transport and Banksia Beach Primary School are within walking distance.

The home comprises three bedrooms, two bathrooms, open plan living/dining/kitchen, single carport and single garage. The living area features a fireplace, ideal for those chilly winter nights. This property is ripe for renovation so lots of options here to add value.

If you are looking for a home located in one of the best areas on Bribie Island, don't delay call Geoff on 0414 230 130 today to arrange your private inspection.
