WHAT A CRACKER.....

Gotta love the house you can call a home that has everything. Biggest feature of this home is the apx 100sqm deck to the rear facing the back yard and fantastic pool area to keep the little and big kids amused.

The next biggest feature would have to be the shed, two door entry with three bays, side access how good is that, but wait there's more this home could also accommodate the extra family or income downstairs with the separate entry and set up for many options.

- Four Bedrooms
- Two Bathrooms (one beautifully reno'd)
- Two Large living areas
- Massive covered back deck
- Above ground pool with decking surround
- Three bay shed
- Fully fenced for the fur babies
- 668sqm

This property is currently tenanted, and the tenant is due to leave on the 24th December 2021 or sooner if they are to secure a property of interest to them, or if an investor is to purchase they may even stay.
