This home has everything the astute purchaser would require. Character, location, and sheds for the "boys toys"!! Location is superb, just a hop, skip and a jump to the Tin Can Bay Country Club, School, Shops, Medical facilities, Tin Can Bay Foreshore to name but a few! The home itself is bursting with character from the minute you enter the front door. The entry is flanked by glorious tropical landscaping giving you an immediate sense of privacy and wellbeing. The lounge is spacious, and the dining nook is adjacent to the kitchen which overlooks the superb entertainment deck with enough room to entertain the biggest of gatherings!! There is another undercover space here, and behind this is the three bay shed with workshop. Two cars could easily be accommodated here, or a small boat or small campervan if that is what you wish. There is a double carport at the right hand side of the home, so all your parking needs are taken care of. This is one home you don't want to miss, so book your private viewing by calling Janet Young - you won't be disappointed.
