21 Harris Street, Bellbird Park

This Dual Key home is perfect for the smart investor, families, couples or anyone who enjoys the lifestyle that big open spaces can bring

Dual key properties are a very clever design and being under a single title offer the perfect dual-income investment opportunity or family home with additional rental income. The main property features 4 bedrooms, kitchen, lounge, 2 bathrooms and a single lock up garage.

On the other side you will find a second separate fully self-contained 1 bedroom home, 1 bathroom with a bright modern kitchen, lounge and lock up garage plus own alfresco area. Both sides can be leased out to tenants separately for a high yield return but are also ideal for owner-occupiers who would live on one side and care for a family member on the other - would also make a great teenagers retreat!

Featuring a large block of 501m2, you will enjoy the big open spaces. This home has been fitted throughout with high quality fixtures. You will find yourself cooking up a storm in the spacious kitchen, with stone bench tops, plenty of smart space cabinetry and leading brand appliances.

Bellbird Park is perfectly positioned where you can enjoy the very best of South East Queensland has to offer, you are just a short drive to Redbank Plains, Springfield shopping center or Ipswich CBD.

Shopping too is a breeze with many options including Redbank Plaza, Springfield or Ipswich where you can also enjoy the many entertainment facilities like cinemas and children's activities and of course the abundance of restaurants and cafes on offer to satisfy your taste buds.
