WANT TO LIVE ON MACKAYS FRIENDLIEST STREET?

Yes you read it correctly. Announced as Mackays friendliest street, this beautiful, no through cul de sac has all the best neighbours in town. The home is constructed of solid brick and consists of 4 built in bedrooms with an extra rumpus/guest room/work from home option to the front of the home. Renovated throughout out with modern, earthy colours and boasting a large, 2nd living area to suit a growing family. The galley style kitchen is brand new and offers all the modern appliances along with a large Walk in pantry. Spacious throughout and as neat as a pin, the home is fully security screened and airconditioned. The bathroom has a separate bath to shower and centrally located in the home. There is also a seperate study nook so the kids can enjoy some peace and quiet whilst studying... For the man of the home, there is a 15amp 6m x 10m Shed with awesome side access that will accommodate the biggest of boats or caravans aaand a wide, remote control gate for ease and safety. Enjoy those hot summer days lazing around the sparkling in ground swimming pool or enjoying a cool drink under the spacious outdoor entertaining area. There are so many extra's to this home including extra remote control workshop, solar panels, garden shed, vege patches, close to schools, shops and medical and the list goes on. Situated on a rare block size of 941m², you will love the beach life with the bonus of room to move. Call Jodie now for your private viewing.
