TIMBER CLAD HOME IN NEED OF INTERNAL RENOVATION ON A USABLE 822M2 BLOCK WITH A SHED.

A great opportunity to buy into this beautiful Mountain and renovate this timber clad home on a usable block and all just a hop, skip and a jump to Gallery walk. The location of this property is fantastic and would be a great opportunity for the astute investor to get in and renovate, making it a viable Air Bnb or investment property or simply turn it into a quaint family home.

This property is within walking distance to the amazing shops and restaurants along and around gallery walk and not far from the local shopping centre and park that Old Eagle Heights has to offer.

The home is nicely hidden and has recently had a fresh coat of paint on the outside. The inside is in need of renovation but with a bit of imagination, could be turned into a very modern day home.
