## HINTERLAND CHALET WITH COASTAL VIEWS PLUS 10KWH SOLAR AND A SHED ON A 1500M2 BLOCK.

"Chateau Oberland"...Swiss Chalet in the Highlands.

If you are looking for something unique, well this is it! This home exudes so much character and warmth from soaring timber ceilings, exposed beams, polished timber flooring, a combustion fireplace, and a cosy loft 3rd bedroom. You will feel like you are at a ski resort in the Swiss Alps.

This very solid timber home takes pride of place on the 1500m2 block, taking in views from South Stradbroke Island to Tweed Heads. You will be mesmerised by the everchanging views that are drawn in through large windows, leading onto the spacious front deck where you can relax and enjoy beautiful summer breezes or watch magnificent storms roll in over the ocean.

The property has so much to offer, including 10kwh of solar panels, a double lock up shed with 3 phase power, large private deck with a separate sauna and viewing/entertaining area and a double garage which has been modified with power, water and air con. The garage is currently being utilised as an office but would also be perfect as overflow accommodation, a man cave or converted back to a double garage.
