FAMILY HOME WITH ATTACHED DOUBLE SHED!

Located on a healthy 706 sq.m allotment is this lovely presented and fully air-conditioned family home.

This high-set home has 3 bedrooms upstairs and has been well maintained and upgraded regularly. These upgrades include the bathroom, toilet and kitchen.

There are lovely hardwood floors in the living areas and quality paint throughout, and all the bedrooms have builtin robes.

Downstairs there is the laundry, a large rumpus room, another room that can be used like a fourth bedroom, a second bathroom and a separate sink/kitchenette at the end of the lock-up garage which means that the downstairs area can be fully self-contained. (See the floorplan). However, the wonderful feature of this home is the large double shed and workshop that is attached to the home.

This garage has two roller doors at the front and a single roller door at the back giving direct access to the fully fenced back yard where there is a garden shed as well.

Buyers seeking a well-presented home, with space for extended family and with a big extra garage and workshop, need to check out what's on offer here.
