FOR SALE

RENOVATED FAMILY HOME WITH ENDLESS FUTURE POTENTIAL

The sky's the limit for this picture-perfect home nestled within a popular pocket of Golden Beach. The current owner/builder has undertaken an extensive expert renovation that has transformed this

abode into a comfortable and contemporary haven just one street back from the water.

The low-maintenance layout currently offers three bedrooms and one bathroom, however, there is

endless potential to expand the residence and create the generous home of your dreams (STCA).

The 546sqm level block boasts a large backyard with room to add additional living space or alternatively, you might even look to undertake a two-storey extension that would capture glorious

views over Pumicestone Passage (STCA).

Depending on your needs, you may choose to move in and enjoy the home as-is, keep it as a holiday/permanent rental or capitalise on the high demand for waterside living and redevelop into the future (STCA); there really is no limit to what this exciting property could offer.

A covered front porch provides the ideal welcome where you are drawn into the open-plan and lightfilled

kitchen, dining and living zone. Gleaming tile floors flow underfoot and combine beautifully with the soft muted colour tones and modern finishes throughout ensuring a comfortable place to unwind

each and every day.

The luxe chef's kitchen will surely be the heart of the floorplan with an L-shaped centre island and

sweeping benchtops. There's an abundance of storage and a tiled backsplash for added functionality along with a suite of quality stainless steel appliances including a freestanding gas cooktop.

All three bedrooms are set neatly towards the rear of the layout with built-in robes and easy access

to the central bathroom with a separate bath, shower and toilet. An internal laundry adds convenience plus there's an attached single garage with drive-through access to the detached shed/workshop.
