LOOKING FOR CHARACTER, PRIVACY AND SECLUSION? - THEN YOU HAVE TO VIEW THIS HOME!! - JUST OVER AN ACRE OF SUPERB LAND + A CHARACTER FILLED HOME!.

Once in a while a home comes on the market and you just think WOW!! This is one such home. Nestled on just over an acre of superb private, tropically planted land your privacy is assured! The home itself is set quite far back from the road, further ensuring the absolute peace and quiet, apart from the numerous birds and wildlife!. The home itself is full of character, with an amazing deck at the front to enjoy entertaining, or just to enjoy the solitude. All this, and only a short drive to Rainbow Beach (Gateway to the Heritage Listed Fraser island), and an even shorter drive to Tin Can Bay (where the Dolphins play!) The home comprises three bedrooms, two of which are extremely large, with the master boasting an en-suite, a spacious lounge/dining combo, with another area off the kitchen which could perhaps be used as a study - the choice is yours. The laundry is in the garage, which includes room for 2 cars and a workshop. There is a further double carport with room for a caravan or a boat. This home has it all, and is an absolute "MUST SEE". For your private viewing call Janet Young - you will fall in love!
