HUGE HOME WITH POOL AND GRANNY FLAT

This home offers lifestyle living at its best.

From the moment you walk in you will be able to imagine the whole family living here.

Upstairs offers magnificent polished timber floors that are easy to maintain and look fantastic.

There is a well designed kitchen that the avid chef will love with lots of bench space and cupboards making it easy to cook up a storm for your family and friends. The beautiful stone bench top has lots of room for the kids to sit at the breakfast bar and help you make cookies.

The dining area is directly off the kitchen and it flows beautifully to the air-conditioned lounge and study. I love the position of the study area because it is easy for you to see what the kids have on their computers and it also has bay views.

All of the bedrooms upstairs are large and have built-in wardrobes and are serviced by a big bathroom with shower and bath there is also separate toilet.

Downstairs has a beautiful granny flat with its own entry which makes a perfect area for family or friends to stay over. It will also make an excellent income if you want to earn some additional money with a tenant. The granny flat has a large bedroom with en-suite a lovely kitchen with stone bench top, dining and lounge.

You will also find a large rumpus room and multi purpose room downstairs. There is also a store room and a toilet. This toilet is very convenient for the pool.

The massive entertainment area makes alfresco dining a breeze and those Sunday afternoon BBQ's will never be the same. While you relax with a cool drink the kids can splash happily in the crystal blue pool.

If you like storage you will be delighted with the abundance of storage here. There is a storage room under the house together with storage wardrobes there is also storage under the stairs and lock up storage areas off the carport.

You will be able to save money with your power with the heat pump system and the solar
