WONDERFULLY SPACIOUS OVER 50'S LIVING

You just cannot go past this beauty. Nothing to do, just move on in.

Two spacious bedrooms, with the master amply fits a king bed with room to spare, two double wardrobes, dressing room and rear patio access.

Stylish electric kitchen with plenty of drawer space, double pantry, dishwasher and large fridge space.

Living and dining areas are bigger than most with new split system air conditioner to keep you comfortable all year round.

From the full length north facing front deck you can enjoy the view of the bowling green while enjoying a drink or 2.

We will be delighted with the double tandem remote garage which can easily house 2 vehicles or even a workshop, whatever your need.

A separate air conditioned study or craft room located at the rear of the garage will surprise you with its size.

There is a large garden shed to house all those rarely used items and the water tank for the garden is an added cost saving bonus. The rear yard is a blank canvas to design a delightful backdrop off the undercover patio creating a cool and comfortable area for gatherings of family and friends.

There is a real community spirit here where owners look out for each other while still maintaining their independence. The pride in this complex is evident the minute you drive through the front gate.

The gated complex is all owner occupied and occupants are over 50 where quiet enjoyment of your new home is assured.
