## BIG ENOUGH FOR A PAIR OF DUPLEXES OR YOUR MANSION!!!!

This 842m<sup>2</sup> block of land is situated in the quiet estate of Trinity Grove. Perfectly located within walking distance to school, public transport and just a few minutes' drive from a major shopping centre, this block offers the perfect location.

The block is big enough to fit two three bedroom duplexes with double lock up garages and plenty of back yard, or the mansion you have always dreamed about. There are only 53 blocks in the whole estate and the vast majority of them are already adorned with beautiful homes. So a great neighbourhood and neighbours is assured.

The owners are serious about selling, so take a drive past and contact Rard Changizi on 0400695596 to discuss your future plans.
