DOUBLE DELIGHT ON ACREAGE!

There are two tidy homes on a beautiful 16 acre parcel of land that is only 12 minutes to the CBD. This serene property is well maintained and has that peaceful getaway feel. The gently undulating country has some well established trees, three dams and is securely fenced. The larger of the two homes has three good sized bedrooms with built-ins. There is an open plan living area with a central wood heater for winter and AC for summer. The second home is two bedroom, open plan living and a features a full length front verandah. There is a classic wood stove in the kitchen that is in working order that would make it a great spot in winter. Having the second home would be wonderful for extended family or to provide an extra income as a rental property. There are plenty of useful sheds, rainwater tanks and a shipping container that stays with the property. Please contact me to arrange a private inspection. I know you see what a good value buy this is when you do.
