PRIVATE ACRES, GREAT VIEWS..

Located on a long private driveway is this vacant 11.79 Ha (26.5 Acres) rural block that is a great mix of cleared country and native bush and yes it has a building entitlement. Originally used as a banana plantation the north east slopes would be ideal for other crops such as Bush tucker plants , finger limes or avocados.

The place does need a mow , clean up and a lot of love , but this is reflected in the price. So if you don't mind rolling up the sleeves and creating something special be the first to call.

- Partial fencing in place .
- Approximately 6kms to town.
- Old shedding and dam
