DELIGHTFUL AND AFFORDABLE CHARACTER COTTAGE

If you're looking for a neat and delightful permanent home, holiday cottage or a great investment in one of the most beautiful areas in the Great Southern, then this is it! Walpole boasts some of the cleanest air on the planet, surrounded by numerous nature parks with ancient forests, pristine rivers, the Southern Ocean and endless award-winning beaches and tourist attractions.

This original 1977 cottage is situated on an 809 m2 block and has undergone a complete makeover in recent years. It maintained some of its old-world charm and delightful quaintness but now boasts a modern kitchen, a new shower, a fireplace, new ceilings in some of the rooms and the home has been restumped.

The cottage has a typical layout of the 1970's including a front and back deck. Enter through the front door and an open plan kitchen/dining/lounge is on your right. Immediately behind is bedroom 2 overlooking the gorgeous back garden. To the left of the entrance, you'll find the main en suite with a shower, toilet and basin while the centre corridor leads to a laundry cum bathroom on the left - with a big bath and extra toilet. Bedroom 3/sleepout is on the right facing the backyard.

Gleaming jarrah floors greet you at the entrance. Immediately on the right is a practical kitchen with quality self-closing drawers, a breakfast bar, a single sink and a freestanding oven/hob. The lounge, with a cosy fireplace in the corner, is spacious and inviting. Large windows throughout the home ensure that all the rooms are always bright and fresh, regardless of the weather.

Behind the lounge is a queen size bedroom with a large window overlooking the back deck and gardens. It doesn't have any built-in cupboards but there is enough space to add a cupboard if needed whereas the main en suite is spacious with built-in cupboards and a big window overlooking the front deck and yard.

The laundry can be accessed through a sliding door, with ample space for a washing machine and dryer, a wash trough, big bath and a handy second toilet.

The property is fully enclosed, so safe for kids and pets. Side access to the private backyard is through an under-roof carport where you'll find a small shed, a chook pen and an established,
