EXCEPTIONAL FAMILY HOME - HIGH AND DRY

Emanating street appeal, and just minutes to the beach, creek, and shops. This home has established gardens, two large outdoor entertaining areas under cover, surrounding the sparkling easy care inground pool and presents a pleasing mix of contemporary living and heritage design.

The main living area provides the family with essential space, and the bay windows flood the room with light. Also, 9ft ceilings provide a vast open feel.

The kitchen overlooks a large family and dining area that leads out to a spacious undercover outdoor entertaining area and overlooking an easy maintenance in ground pool. Cosy evenings are in your future with the wood burning fireplace as the central point of the room.

Beautiful Timber cabinetry in the kitchen easily changed to a Hamptons style. Caesarstone countertops, stainless gas cooktop and a family size breakfast bar and lots of cupboard space.

The master bedroom is huge (see the floorplan) with craftsman-built robes, high quality carpet and air conditioning. The ensuite is sparkling and new.

All the bedrooms are spacious with fans, built-in closets, and quality carpet.

The main bathroom is also freshly renovated with a spa tub.
