THIS CUTE LITTLE COTTAGE IS SITUATED ON AN AMAZING HALF ACRE OF TROPICALLY LANDSCAPED LAND BACKING ONTO NATIONAL FOREST - A "MUST SEE"

Please Note: This property has long term tenants, so only suitable for an investor. Have you ever dreamed of owning your own Hansel and Gretel cottage - well here it is! Located on one of the most stunning half acre tropically landscaped blocks I have ever seen - your privacy and tranquillity is assured! The cottage sits at the top of the driveway which has a gentle slope to the road. The home comprises one small bedroom downstairs, with a dining/living/kitchen combo which boasts warm timber floors. The laundry and family bathroom are on this level. Upstairs is the master bedroom with en-suite, which has a small deck overlooking the lush greenery of the garden. There are three air-conditioners in the home, ensuring your comfort in the humid summer months. There is a patio at the side of the home + an entertaining gazebo with fruit trees and vegetables. There is a sink to fillet the fish that you catch! There is a single shed with room for a car plus some workshop space. This is really an idyllic location that deserves your inspection. Private inspections are welcomed by calling Janet Young. I look forward to your call.
