Introducing 35 Clipper St, Inala. This lovely 3 bed, 1.5 bath, 3 car home is perfect for any buyer. Whether you're looking for your first home, a new family home or a great investment, this property is right for you.

The home is solid brick construction. It is situated above street level and made even more private with mature front gardens along the windows.

When entering the home, you are met with a well sized living and dining room. Extending from that is a fantastic multi-use family room, which could be used as an extra kids loungeroom, a sitting room, or as a home office.

The home is generously lit; natural light pours in from the large double windows that surround the living areas and the strategically placed skylights.

The 3 bedrooms provide huge floor to ceiling built in robes, ceiling fans, as well as large windows that overlook the beautiful gardens.

The garden itself is adorned with a large variety of flowering trees, with plenty of grass space for an overactive young family.
